**RE: WS Docket Nos. 10-90 and 11-42**

WST is a CLEC that received its ETC and has been designated to receive federal high-cost support. However, it did not receive any such support in 2012, nor does it expect, at this time, to receive any in 2013 or 2014 in Oregon. However, WCT has received Tribal Lifeline support. However, under the above docket, WST has been required to file form 481 with USAC, the state of Oregon PUC, and the FCC. This filing is the required FCC filing.

Please contact me at (503) 997-1685 if you have any additional questions.

Sincerely,

*Marsha Spellman*
